# Geauga County Engineer Ride-Along
# Regulations and Waiver Form

## Regulations

1. The ride-along is an observer only, and should not become involved in or interfere with any situation, either physically or verbally.
2. Ride-alongs will be allowed to observe as much of any situation as is possible, consistent with their safety; however, they may not leave the vehicle unless given permission to do so by the driver.
3. The driver may terminate the ride if the participant fails to follow the regulations or is acting in a manner inconsistent with the best interests of the Geauga County Engineer.
4. The participant may request that the ride be terminated at any time. The participant will be returned to the Geauga County Engineer's Office as soon as the driver determines it practical.

## Waiver and Release of Claim

As a condition of being permitted to participate in the ride-along portion of the Geauga County Engineer Paint the Plow Program, I the undersigned waive any claim I may have against the Geauga County Engineer and the employees or representatives of the Geauga County Engineer in any event that causes loss of life, bodily injury, property damage, or any other claim whatsoever that I may sustain as a result of riding in any Geauga County Engineer vehicle. I further agree that this waiver of liability by me is binding on my legal representatives, heirs and successors, and shall have the same legal effect as I have agreed to herein.
