

PRESS RELEASE

JOE CATTELL, PE, PS
Gauga County Engineer

April 14, 2022

Joe Cattell, PE, PS, Gauga County Engineer, announced the start/continuance of construction on the following roads in Gauga County.

Roadway Construction Projects

- ***Thompson Road in Thompson Township:*** Asphalt Resurfacing between the Lake County Line and S.R. 528 will begin on/about April 20th. Work is expected to last 21 days. Traffic will be maintained.
- ***Aquilla Road in Burton Township and Butternut Road in Burton and Newbury Townships:*** Asphalt Resurfacing of Aquilla Road from S.R.87 to Butternut Road and Butternut Road from S.R. 44 to Claridon-Troy Road will begin on/about April 25th. Aquilla Road is scheduled to be closed to traffic on May 5th and May 6th between S.R. 87 and Fisher Road, a posted detour will be provided. Traffic will be maintained during all other operations.
- ***Stafford Road in Auburn Township:*** Work has commenced on the reconstruction of Stafford Road from Messenger Road east to State Route 44. Road will be closed to thru traffic; local detour route is posted. Please expect delays if you live within the project limits.
- ***Bainbridge Township:*** Installation of a new traffic control signal at the intersection of Washington Street with Haskins Road. Work is on-going. Traffic will be maintained.
- ***Bundysburg Road in Parkman:*** Work has commenced on the replacement of the Bundysburg Road Bridge and intersection realignment of the roadway with Swine Creek has commenced. Road is closed to thru traffic; local detour route is posted. Please expect delays if you live within the project limits.
